

D-Cerno SL TC

D-Cerno SL Transport Case

Description

The D-Cerno SL TC is a *high-quality transport and storage case for a complete D-Cerno SL system*. The case offers room for 12 D-Cerno SL units, 12 microphones, and one central unit, including a power supply and cables. The foam inlays have been laser cut, making a perfect fit for the equipment and offering maximum protection against dust and impact.

The case has been designed for *frequent use and safe transportation*. It is built from durable, rugged materials and has a handle at the front. As a result, it is easy and comfortable to move around.

Features

- Pre-formed foam inlays
- Room for 12 D-Cerno SL units, 12 microphones, a Central Unit, a Power supply, and cables
